Biographie de l'auteur Jean Oram's experiences of growing up and living in a small town in Alberta, Canada has inspired her Blueberry Springs series. While none of her characters have lived in an old schoolhouse helping their parents raise honeybees like Jean did, other parts of her childhood have managed to sneak their way into the Blueberry Springs series. Jean loves to ski, hike, camp, read, write, and watch romantic comedies. She lives in Canada with her husband who isn't impressed by the amount of romance novels she's downloaded using *his* ereader's account (sorry, honey!), two kids who like to keep her hopping by having sudden growth spurts which requires her to go shopping, a very large dog who sheds year round meaning lots of time with the vacuum cleaner, and a fat cat who likes to curl up on her keyboard while she tries to write. She loves connecting with readers and has a romance goodies mailing list where she sends out free newsletters of goodness--freebies, giveaways, book news and more: www.jeanoram.com/signup.
