Description :

Prsentation de l'diteurRaymonde Carroll presents an intriguing and thoughtful analysis of the many ways French and Americansand indeed any members of different culturescan misinterpret each other, even when ostensibly speaking the same language. Cultural misunderstandings, Carroll points out, can arise even where we least expect themin our closest relationships. The revealing vignettes that Carroll relates, and her perceptive comments, bring to light some fundamental differences in French and American presuppositions about love, friendship, and raising children, as well as such everyday activities as using the telephone or

asking for information.
