Description : Description du produitSHE HUNTS THE REALMS MOST DANGEROUS GAME. HER FEES ARE EXORBITANT. SHE'S WORTH EVERY COIN SHE RECEIVES. OR IS SHE? Magiere has earned a reputation as the most formidable vampire slayer in the land. Villagers far and wide welcome her with both awe and disdain, grateful to her for ridding their towns of the undead menace, but finding themselves made poorer for their salvation. Magiere has always known she's dealing with simple folk who only wish to have their superstitions silenced, and she's never seen anything wrong with exploiting them for profit. Now, tired of the game, Magiere and her partner, the half-elf Leesil, are ready to hang up their weapons and settle down in a place they can finally call home. But their new found peace will not last. For Magiere has come to the attention of a trio of powerful and dangerous vampires who recognize her true

identity even if she does not and who fear the birthright that flows through her veins. And they will stop at nothing to keep Magiere from fulfilling her destiny.

And they will stop at nothing to keep Magiere from fulfilling her destiny.BooklistMagiere and her half-elf partner, Leesil, have the cleverest con in the land. Magiere claims to be a vampire hunter, while Leesil impersonates a vampire, and in a spectacular show of theatrics, she "kills" him--for a hefty sum, of course. But Magiere's modus hits closer to home than she thinks, for when she faces down a real vampire, she wins. Now fighting her natural calling, Magiere arrives with Leesil in the town of Miiska, where they intend to make an honest living as tavern owners.

Unbeknownst to the pair, a group of vampires, led by the nefarious Rashed, resides in Miiska. When Welstiel Massing, a mysterious older man, confronts Magiere, claiming she is "the one," and she has an almost-deadly encounter with Rashed, Magiere discovers her true nature: she is a dhampir, a part-human, part-vampire warrior whose purpose is to battle vampires. The discovery leads to a pulse-pounding showdown with Rashed and his gang. This Buffy-like story in a medieval setting won't disappoint vampire aficionados.
