Prsentation de l'diteurEvery one of us has the beast inside. But for Kyrie Smith, the beast is no metaphor. Since she was 15, when she first shape-shifted into a savage, black panther, Kyrie has questioned her humanity and moved from town to town, searching for a way to feel human again.Kyrie's lonely life changes forever while waitressing at a cheap diner. Investigating screams from the parking lot, Kyrie stumbles upon a blood-spattered dragon crouching over a mangled human corpse. The dragon changes back into her co-worker, Tom, naked, dazed and unable to remember how he got there.Thrust into a world of shape-shifting dragons, giant cats and other beasts waging a secret war behind humanity's back, Kyrie may find the answers

she seeks with help from Tom, a mythical object called the Pearl of Heaven, and her own inner beast. At the publisher's request, this title is sold without DRM (DRM Rights Management). "DRAW ONE IN THE DARK IS THE ONE NEW FANTASY NOVEL YOU HAVE TO BUY THIS YEAR!" -Dave Freer

Analytically, it's a tour de force: logical, built from assumptions, with no contradictions, which is astonishing given the subject matter. It's also gripping enough that I finished it in one day." Jerry Pournelle". . . deftly woven together . . . an interesting and strong story." SFRevu.com
