### Description :

Prsentation de l'diteurThe Nightwalkers have lived in the shadows of our world for centuries, gifted with abilities few humans can comprehend. For Noah, duty is all - until he meets the woman who is his destiny . . .  
.As Demon King, Noah is dedicated to protecting his kind from their enemies. Yet for months he has struggled with vivid dreams that threaten his very sanity. Every night he's tormented by images of a woman both achingly real and tantalisingly beyond his grasp - until he has no choice but to force her to leave the life she's known and enter a world beyond her imagining. . .Kestra has sworn never to trust or need another man, but Noah's lightest touch scorches her with fevered desire, branding her as his mate, blinding them both to the terrifying truth. For within the ranks of their own people lies an adversary growing in number and power.

And nothing and no one will be safe again. Presentation de l'auteur The Nightwalkers have lived in the shadows of our world for centuries, gifted with abilities few humans can comprehend. Time to update some more. Trying to keep up with this and realizing I haven't updated this since 2012. (It's 2015 right now) I've expanded my online presence to include Facebook and Twitter, a website a blog and every other bleeping thing there is out there in the cyber world. Was finding it hard to manage all that exposure and get work done at the same time. I am writing under two names (JAX is for my steamier stuff...and yes, it does get steamier!) And I am in over half a dozen languages now! INCLUDING a full line of NIGHTWALKERS audio books with the glorious narration of the superb Xe Sands. I'm thrilled with the job she did! NIGHTWALKER, the final book in the NIGHTWALKER series has just debuted and my fingers are crossed that it will do well. I'm still living in Asheville, NC. My kitty family has dwindled to a mere eight cats. I was fostering and...I found it so hard to trust anyone would give them a better home than me! Is that ego or arrogance or just trust issues? Email will always be welcomed. I am a tech queen and my laptop has grown roots into my thighs. (And my bottom has grown them into my recliner). I am so thrilled about all of my books and I want to know what everyone thinks of them! I think it would be fascinating to hear what my readers would like to see happen in the Nightwalker world as the series ends. I receive emails at [jackifrankwrites@gmail.com](mailto:jackifrankwrites@gmail.com) these days. Feel free to say hi! If you haven't tried me, please do. I always recommend starting with JACOB. Or if you don't want to invest in a series, go for DRINK OF ME. It's a stand alone. Enjoy, Hugs and Kitties, Jacquelyn Frank
