Description : Description du produitCreated at the dawn of time to protect humanity, the ancient warriors have been nearly forgotten, though magic lives on--in vampires, werewolves, the Celtic Sidhe, and other beings. But now one of their own has turned rogue, and the world is again in desperate need of the IMMORTALS. He burst into the battle, his leather jacket billowing and his huge silver sword flashing. Amber had no idea why this windswept warrior would rescue her, but there he was--fighting the same demon who'd killed her sister. Though he was a stranger, she immediately sensed he'd come to protect her. And with the first touch of his lips on hers, she knew he was bound to her, his body meant for her. Yet the shadow of evil is spreading quickly, and more death will follow unless they can discover the secrets of...THE CALLING.

Prsentation de l'diteurA USA Today bestselling novelAmber has never heard of the Immortals--ancient warriors who come to the aid of those in trouble, summoned by the Calling spell. She only learns about them when one crashes into the deserted warehouse where she's fighting the demon who murdered her sister, and proceeds to beat back the demon and destroy every single one of Amber's protective spells.Adrian, the oldest Immortal, is intrigued by the lone young woman trying to face an ancient demon, an Old One. He saves her life and takes her home, wanting to know more about her, and the story of her sister's quest and death. He discovers that Amber's sister had found Adrian's brother, Tain, lost for seven hundred years, and has left clues as to where to seek him.Adrian wants to leave Amber behind, out of danger, as he searches for Tain, but Amber sticks to him, needing to know the truth about what happened to her sister. She's also drawn to this hard-edged man in the leather coat, who looks more like a biker than an ancient warrior, and finds herself falling for his dark eyes, warm voice, and incredible magic.Together they begin their quest, traveling to Los Angeles to consult with a vampire master and a dragon, then into the wilderness to continue the search.They discover that their quest goes far beyond finding Tain or confronting the demon--the problem touches the edge of a far greater plan that puts the entire world in danger. Only the Immortals--all of them together--can hope to stop it.The danger to Adrian is even greater--he has found his soul-mate in the warm-hearted Amber and he'll do anything to keep her safe.Book One of the Immortals, a multi-author series by Jennifer Ashley, Robin Popp, and Joy Nash. This is a full-length novel of 95,000 words.From Publishers WeeklyThis drawn-out kickoff to a four-novel series follows Adrian, one of five immortal brothers who possess more power than any other creature in the universe and who fight to maintain the balance between dark magic and life magic in a modern fantasy world. When Adrian meets the tiger-eyed Amber Silverthorne, a witch full of strong life magic, a whirlwind romance and a world-saving quest ensues featuring a variety of sweltering loves scenes and sword-and-sorcery battles. When they aren't scorching the sheets, the pair hunt down a powerful demon who killed Amber's sister for unknown reasons. With the help of a vampire, a shape-shifting dragon, a werewolf and a Seattle detective, the two trek from Seattle to L.A., on to the Arctic and back, hoping to find answers, vengeance and possibly Adrian's brother, Tain, who's been missing for centuries. Though it would have benefited from a tighter plot, intriguing characters and a genuine sense of humanity pick up some of the slack, giving this promising series a stimulating first act.

(May) Copyright Reed Business Information, a division of Reed Elsevier Inc. All rights reserved.BooklistSeven centuries after his brother Tain disappears during battle, immortal warrior Adrian thinks he may have finally found him. The same demon that captured Tain has recently murdered a witch in Seattle. Adrian arrives in time to save the witch's sister, Amber Silverthorne, but once again the demon disappears without a trace. The only clue is in Amber's sister's notebook. Adrian must now work closely with Amber if he not only wants to find Tain but also keep dark magic from taking over the world. Deftly mixing dangerous adventure, dark magic, and a surfeit of scorching chemistry between her hero and heroine, Ashley creates an addictively readable romance, the first in a marvelously original new paranormal series that is bound to cast its own bewitching spell over readers.
