## Description :

Prsentation de l'diteurFrom the international bestselling author of Vampire Academy, Richelle Mead, comes book two in the Age of X series, The Immortal Crown.In the wake of Gameboard of the Gods, religious investigator Justin March and the beautiful supersoldier assigned to protect him, Mae Koskinen, have become firmly enmeshed in investigating reports of the supernatural and the return of the gods both inside and outside their country's borders. With this highly classified knowledge comes a shocking revelation: not only are the gods vying for control of humans, but the Elect - those special humans marked by the divine - are turning against each other in bloody fashion.Justin and Mae's mission takes a new twist when they find themselves assigned to a diplomatic delegation headed by Lucian Darling, Justin's old friend and rival, into

Arcadia: the Republic of United North America's dangerous neighbouring country. Here, in a society where women are commodities and religion is intertwined with the government, Justin discovers powerful forces at work even as he struggles to come to terms with his own reluctantly-acquired deity. Meanwhile, Mae - grudgingly posing as Justin's concubine - has taken on a secret mission of her own: finding the illegitimate niece her family smuggled away years ago. But with Justin and Mae resisting the resurgence of the gods in Arcadia, a reporter's fortuitous connection with someone close to Justin back home threatens to expose their mission and the divine forces the government is determined to keep secret.

Revue de presse PRAISE FOR RICHELLE MEAD AND GAMEBOARD OF THE GODS "After years of YA, the author has finally returned to her adult roots with an ambitious (and sexy!) sci-fi outing." - Entertainment Weekly.com This brilliant book is a miracle. Think American Gods with the romantic heart of Vampire Academy. What's the point of world-building if you aren't building something and someone to love? I'm in love with every character in this book. How do I know? When I got to the last page I turned to the first and started again, thinking this is why I read. Margaret Stohl, New York Times bestselling author of Icons Vivid world-building, whip-fast pacing, and a layered plot combine to make Gameboard of the Gods a riveting read! Melissa Marr, New York Times bestselling author of The Arrivals "The book is fast paced and suspenseful... A promising first book in a projected series." Booklist Provocative and dark Gameboard of the Gods is epic in scale and impossible to put down. Kami Garcia, #1 New York Times bestselling coauthor of the Beautiful Creatures novels author of Unbreakable "Why you should read it: ....It's dark, it's fantastical, and the chemistry is just wow!"
