Description :

Prsentation de l'diteurThe controversial revisionist history of World War I that made Niall Ferguson's name The First World War killed around eight million men and bled Europe dry. More than any other event, it made the twentieth century. In this boldly conceived book and provocative, aimed to appeal not only to students but also to the general reader, Niall Ferguson explodes many of the myths surrounding the war.

Niall Ferguson is Herzog Professor of Financial History at the Stern School of Business, New York University, Visiting Professor of History, Oxford University and Senior Research Fellow, Jesus College, Oxford. His other books for Penguin include Empire, The Cash Nexus, Colossus, The War of the World, Virtual History, High Financier and Civilization.Revue de presseThe most challenging and provocative

analysis of the First World War to date (Ian Kershaw) Must take a permanent place at the top of the War's historiography. It is one of the very few books whose own scale matches that of the events it describes (Alan Clark Daily Telegraph) Brilliant and stimulating ... radical, readable and convincing (The Times) Possibly the most important book to appear in years both on the origins of the First World War ... Ferguson can confidently claim to have inherited A. J. P. Taylor's mantle (Paul Kennedy New York of Books) At one massive stroke, Niall Ferguson has transformed the intellectual landscape (Economist) Presentation de l'diteur The controversial revisionist history of World War I that made Niall Ferguson's name The First World War killed around eight million men and bled Europe dry.
